T.R.A. DOCKET ROOM

August 18, 2004

Hon. Pat Miller, Chairman
Tennessee Regulatory Authority
460 James Robertson Parkway
Nashville, TN 37243

Re: Enforcement of Interconnection Agreement between BellSouth
Telecommunications, Inc and ITC^DeltaCom Communications, Inc.

Enforcement of Interconnection Agreement between BellSouth
Telecommunications, Inc and XO Tennessee, Inc.
Docket No. 02-01203

Dear Chairman Miller:

In a letter dated August 2, 2004, BellSouth has filed a proposal to audit the converted EELs of XO and ITC^DeltaCom, "consistent with the Hearing Officer's Order in this docket." BellSouth also requests the appointment of a new Hearing Officer¹ "to handle any remaining issues associated with this matter "

XO and ITC^DeltaCom agree with BellSouth that a new Hearing Officer should be appointed and ask that the Hearing Officer convene a status conference to give the parties the opportunity to address BellSouth's proposed audit and to resolve any remaining issues.

Very truly yours,

BOULT, CUMMINGS, CONNERS & BERRY, PLC
